LEGE, PRO REGE.

APRIL 3, 1775.

Charles-Town: Printed by PETER TIMOTHY, Printer to the Honourable the Commons House of Assembly,

At his OFFICE, removed from the BAY into BROAD-STREET, the Corner of GADSDEN's ALLEY, a few Doors above the Exchange: *Where Advertisements for this Gazette, Letters of Intelligence, &c. will be received, and all Kinds of Printing Work done with Accuracy and all possible Dispatch; and where he will soon have for Sale, a* SUPPLY *of all the different Kinds of* BLANKS *used in this Colony.*

WILMINGTON, *(North-Carolina)* March 22.

WE hear the Assembly of Georgia, petitioned the King for assistance and protection from the Indians, at a time when they were committing murders, and other acts of hostility in that province; the GRACIOUS Answer to which was,—The assistance petitioned for should be sent, provided that Colony did not unite with the other Colonies in Opposition to Government (i. e.) to the late Acts of Parliament, depriving the Colonists of their constitutional Rights and Privileges.

The General Assembly of this province is to meet at Newbern, the 27th instant.

John Harvey, Esq; Moderator of our Provincial Congress, had appointed a meeting of the Delegates from the different Counties on the 3d of next month (April) at Newbern; and his Excellency, our Governor, has issued a proclamation, forbidding such meeting—Delegates, we hear, have been chosen in most of the counties.

We can assure the Public, that a Merchant of this town throwed into the river about half a chest of Tea, rather than keep in his store an article that has occasioned such mischief to the Colonies; that a Merchant in Brunswick, refused to take out of the ship some Tea, sent to him with other goods; and that all the Tea, in the stores of this town, and Brunswick, is locked up, never to be offered for sale, 'till American measures are changed.

It would be injustice to the Ladies, not to add, that they have entirely declined the use of Tea. Such a sacrifice by the fair Sex, should inspire ours with that firmness and public virtue, so necessary to preserve those privileges, indisputably our rights, as British subjects, which are likely to be wrested from us by the artifice of designing men.

This [the Wilmington*] Paper having been for some time discontinued, we had no opportunity of informing the Public of the measures pursued to inforce the Association of the Continental Congress.—The following contains the principal transactions of the Committee, chosen by the Freeholders for the county of* New-Hanover, *and town of* Wilmington, *of which* CORNELIUS HARNETT, *Esq; is Chairman, Mr.* FRANCIS CLAYTON, *Deputy-Chairman, and Mr.* THOMAS CRAIKE, *Secretary.*

THE half-yearly Wilmington purse-race was intended to have been run on the 28th of November last; the Committee took the same into consideration, and RESOLVED, That it would be an infringement of the Continental Congress;—circular letters were wrote to the Gentlemen who had horses prepared, and they very laudably declined the race.

A few slaves having been imported from the West-Indies, nearly about the middle of December, by Arthur Mabson, and Harral Blackmore, were ordered to be re-shipped by the first opportunity.

From the first of December to the 1st of February inclusive, several cargoes of goods were imported, amounting to £. 9,650 : 10 : 5d. sterling, and sold for £. 9 664 11s. : 1 ½ like money, though many of them were damaged.

Messrs. George and Thomas Hooper, and Peter Mallet, reported divers Negroes imported by them since the first of December, upon which it was resolved, that notice be sent to them, and the gentlemen before mentioned, that all the negroes which they had imported as aforesaid, should be re-shipped the first opportunity.

Upon a meeting of the Merchants at the request of the Committee,

RESOLVED, That any quantity of salt, not exceeding five bushels, be sold at no more than 3s. 6d. per bushel, and any quantity above that, at 3s. 4d. per bushel.

That dry goods, for ready pay, be sold no higher than at the rate of two and a half proclamation money for one on the sterling cost, except small articles that are perishable, and not exceeding the sum of 7s. 6d. proclamation money, which are to be sold as usual; and that all goods sold on credit, shall be at the same rates as were usual for twelve months past.

That the permission of billiard-tables in this town, is repugnant to the resolves of the General Congress, and that the proprietors of them have notice hereof. The several owners of billiard-tables appeared and acquiesced in this resolve.

That balls and assemblies at public houses be discouraged, and that the owners of such houses have notice thereof.

Information being made to the Committee that a merchant in this town had taken 4s. per bushel for salt, contrary to a former resolve, the person offending was sent for, acknowledged the charge, but said it arose from a misapprehension of the resolve, and promised to return the money.

At a general meeting on the 20th of February, it was resolved, that for the communication of intelligence, and producing a similarity of conduct, the Committee of Duplin county be requested to send two of their members to the next meeting on the 6th of March.

On the 1st of March the Committee met, and hearing that a public ball was intended at the house of Mrs. Austin that evening, she was desired to decline it, and the ball was thereby prevented.

On the 6th of March at a general meeting of the Committee, (James Kenan, Esq; Chairman of the Duplin Committee being present) a writing was agreed upon, signifying our acquiescence and resolution to support the Continental Association, and annexed thereto, which was signed by all the members present; who afterwards went in a body, to the several house keepers and traders in town, and some of them being absent, in a few days it was signed by all those of any note.

Mr. William Wilkinson reported a parcel of dry goods imported by Capt. Fowkes from Charles-Town, for Joseph Robson, of Deep-River; but as it did not appear the said goods were imported or sold agreeable to the general resolves, they were ordered to be stored, under the care of Mr. James Walker, one of the Committee, until Mr. Wilkinson could procure a certificate from the Committee in Charles-Town, for which he was allowed the space of six weeks.

RESOLVED, That all private, as well as public dances, are contrary to the spirit of the 8th article in the Association of the Continental Congress, and that they should be discouraged.

Mr. Harnet informed the Committee, that he had purchased a Negro in Rhode-Island, (a native thereof) in October last, who had absconded immediately before his master sailed, and desired the opinion of the committee, &c.

RESOLVED, That the importation of the said Negro (being purchased in October last, in a neighbouring colony, which has joined in the Association) will not be any infringement of the General Association, as it neither tends to encourage the slave trade, nor to increase the number of slaves in the colonies.

That Samuel Ashe, and Sampson Moseley, Esqrs. and Mr. Timothy Bloodworth, attend the Committee of Duplin, on the 18th of March instant.

Messrs. Harnet and Wilkinson reported to the Committee, that they had re-shipped a Negro sent them from the West-Indies.

New Advertisements.

NECESSITY compels the Subscriber thus publicly to request the Favour of his Friends and Customers, whose Accounts have been six Months due, to discharge or settle the same, in order that he may be thereby enabled to satisfy his very indulgent Creditors. And,

He gives this last Notice, to such as have paid little or no Regard to his frequently repeated Messages for that Purpose, that, unless they pay their Accounts, or give sufficient Security before the first Day of MAY next, his making Application to the *Charles-Town* and other Committees, for Leave to recover his Demands, in the Courts of Law, will be unavoidable, a Step that will be fully as disagreeable to him as it can be to them.

CHARLES RAMADGE.

TEN POUNDS Reward.

RUN AWAY from the Subscriber, a NEGRO MAN, Named *Joe*, or *Cudjoe*; formerly belonging to Mr. GEORGE NODDINGS, Jamaica born, about 5 Feet 10 Inches high, thin Visage, and Pock-marked; had on when he went away, a blue Negro Cloth Jacket and Trowsers, and a Dutch Cap:—He speaks very good English, and is very artful.

Whoever delivers him to me, or the Warden of the Work-House, shall receive the above Reward, and all reasonable Charges paid, by

PAUL PRITCHARD.

CHARLES-TOWN, APRIL 3.

THE last Accounts from England, by Way of New-York, are of a few Days later Date, and seem somewhat more favourable, than those we had by the Eagle Packet-Boat.

The Packet-Boat with the February Mail; Capt. Price from Bristol; and Capt. Coombes from London, may now be hourly expected.

The Choice of Delegates, to represent the Colony of Virginia in the ensuing Continental Congress, was to be on Monday the 20th past, at the Town of Richmond, in Henrico County.

On Wednesday last, several Samples of GUN-POWDER, some made in this Town, and some in the Country, were laid before the General Committee, and upon Trial, proved to be as good as any imported from England.

The same Day put to Sea, the Snow Proteus, Captain Paplay, with the Horses and all the Goods on board that were brought in her from London. Mr. Smyth and his Son are also gone in her.

The same Day sailed with Mails for Falmouth, the Eagle Packet-Boat, Capt. Nicholls.

The same Day came in, and anchored in Rebellion-Road, the Brigt. Industry, Capt. John Consett, out 10 Weeks from Liverpool, with 170 Tons of Salt, some Coals, and a few Passengers. But as the Cargo could not be received here, the said Vessel put to Sea Yesterday, it is supposed destined for Georgia. Nothing was landed but a Man, his Wife, and 6 fine Children.

On Thursday last, Mr. John Bradwell was married, to Miss Betsey Lloyd, Daughter of the late Mr. William Lloyd, Merchant.

Yesterday sailed for Jamaica and Penfacola, the Comet Packet-Boat, Capt. M'Donogh.

The same Day died Mrs. Bentham, the Wife of Mr. James Bentham, Merchant. And,

Yesterday was married, Mr. Robert Muncreef, Merchant, to Miss Polly Dewar, Daughter of Mr. Charles Dewar, Merchant.

MR. WINDSOR has opened a SCHOOL, next Door to ROGER PINCKNEY, Esq; in *Meeting-Street*, for the Instruction of the YOUTH of both Sexes, in READING, WRITING, ARITHMETIC, POLYGRAPHY, &c. &c.

Having proper Accommodations in his Family, he designs to BOARD a few YOUNG GENTLEMEN.

N. B. Mrs. WINDSOR continues to instruct YOUNG LADIES upon the HARPSICHORD.

GIBBES's WHARF,
At SOUTH-BAY,

BEING now capable of admitting Veſſels of any Burthen, to load or unload at it, the Subſcriber will be obliged to all thoſe Perſons who will favour the ſaid Wharf with their Buſineſs, as he has been at great Expence and Trouble in making it convenient, eſpecially to Boats that paſs down *Aſhley-River*; which, by unloading there, will avoid the many Riſks and Inconveniences they are expoſed to by going round White-Point, and which are very obvious to every diſcerning Perſon, more particularly open Boats: And, as it is of Public Utility, by being a Security to the South-Weſt Side of the Town, he hopes for the Public Patronage.

His Friends, the PLANTERS, need not be under any Apprehenſions of RICE not ſelling as well there as at any other Wharf, as has been experienced during the laſt and preſent Year, as very little Rice has been ſtored there from the quick Sale of what has been landed there: And having had Aſſurances from many reſpectable Gentlemen, both in the Planting and Mercantile Intereſt, of their friendly Intentions to ſend Veſſels there to load, being convinced of the Safety of that River, and the Convenience of the Wharf and Stores, with the Diſpatch they meet with; he likewiſe flatters himſelf, that the many Perſons that uſe it as a Ferry, and do not land their Crops there, will not have any Objections to contribute to the Support of it, by an annual Subſcription.

He has fixed a SCALE-HOUSE at the Head of the Wharf, for the more convenient weighing of Rice that may be ſold on landing and to be immediately ſhipped, and will, as ſoon as it is neceſſary, add to the Number of Stores.

From the Quantity of LUMBER already ſhipped from thence, it is evident no Place in Town is more proper for that Article, as well as for NAVAL STORES.

All Veſſels ſhall, for their BALLAST, be entitled to their Wharfage and Water, with Liberty to heave down and clean, as a proper Place is fixed for that Purpoſe, and to which the Pilot-Boats are alſo welcome.

WILLIAM GIBBES.

☞ FIFTEEN very convenient, pleaſant and well-ſituated LOTS of LAND, contiguous to the Wharf, on a good Clay Foundation, and have as good Water as any in Town, to be diſpoſed of by private Contract, upon eaſy Terms, and the Purchaſers ſhall have the Privilege of landing at the Wharf, gratis, their Materials for building thereon.
